

## Catering Services & Special Events

*The Bistro*

Mallard Cove welcomes Residents to host a private family gathering or special event in one of our gracious dining venues. Our staff will work closely with you to plan every aspect of the event. They will help you create the perfect menu and take care of everything from valet parking to room set-up and decorations as well as any other custom requests. We also accommodate community, educational and civic groups.

Residents who choose to dine out with family and friends, are invited to take advantage of our unique “From our Home to Yours”™. This one of a kind take out service allows Residents to bring along home made meals from our kitchen - everything from fresh-baked pies to turkey dinners complete with all the trimmings!
